The proposal for sandblasting, minor patching, and painting is $37,508.75. Ms. Corgiat stated that she understands that this may seem like a lot to paint the pool, however, she spoke with the Pleasant Hill and painted of their pool, which is half the size of Pittsfield’s, was $25,000.00. Mayor Hayden asked if they were seeking assistance with the entire amount. Ms. Corgiat believes that the Park Board may be able to pay approximately $8,000.00. Mayor Hayden asked what time frame she was looking at and was told that it would need to be completed in the Spring. Alderman Wood inquired about the length of time to cure, which should be 7 – 10 days. Alderman Knight asked if this will last more than one year, Ms. Corgiat has been told this should last 3-5 years. Alderman Wilson asked if anyone knew when the pool was sandblasted last and without verifying exactly, it seems to have been 1991. Mayor Hayden requested that Ms. Corgiat seek a few other bids and bring them back to a Council Meeting. The issue can be discussed in Budget meetings, or to be added to the budget or possibly another fund.
